Vítejte ve světě KAMA

Již 28 let pro vás v rodinném kruhu navrhujeme a vyrábíme pletené výrobky té nejvyšší kvality.

Při výrobě používáme certifikované materiály a postupy, díky kterým vás naše produkty hřejí nejen na těle, ale i na duši. Vše, co děláme, děláme totiž s respektem k lidem, kteří se na produkci podílí, a také s ohledem na životní prostředí. To je cesta, které věříme a hodláme se jí držet i v budoucnu. Jedině tak zajistíme, že našim zákazníkům budeme přinášet opravdu kvalitní produkty s přidanou hodnotou. Celý proces výroby, od návrhu po finální kompletaci, chceme mít plně pod kontrolou. Produkty KAMA proto vznikají v naší výrobě v Praze.

Tím, jak roste povědomí o značce KAMA a množí se kladné ohlasy na naše výrobky, rozhodli jsme se naplňovat přání vás zákazníků. V kolekci na příští rok tak naleznete i produkty nejen do zimních měsíců. Výrobky KAMA si tak konečně budete moci užívat téměř po celý rok.

Welcome to the world of KAMA

For the past 28 years the family business Kama has strived to produce Knitwear of the highest standard through innovation, design and continued development.

We exclusively use the finest materials and carefully supervise each process to ensure warmth of your body and soul. Our achievement is the result of constant sophistication, respect and attention to our staff, customers and environment. This is the way of doing business we believe in and it is our aim to continue with these principles in to the future. Only with these principles can we ensure that proud KAMA product owners will continue to receive the highest quality equipment with outstanding customer-services. To guarantee the highest possible standards we keep complete ownership of the entire production process from design to final assembly in our own plant in Prague.

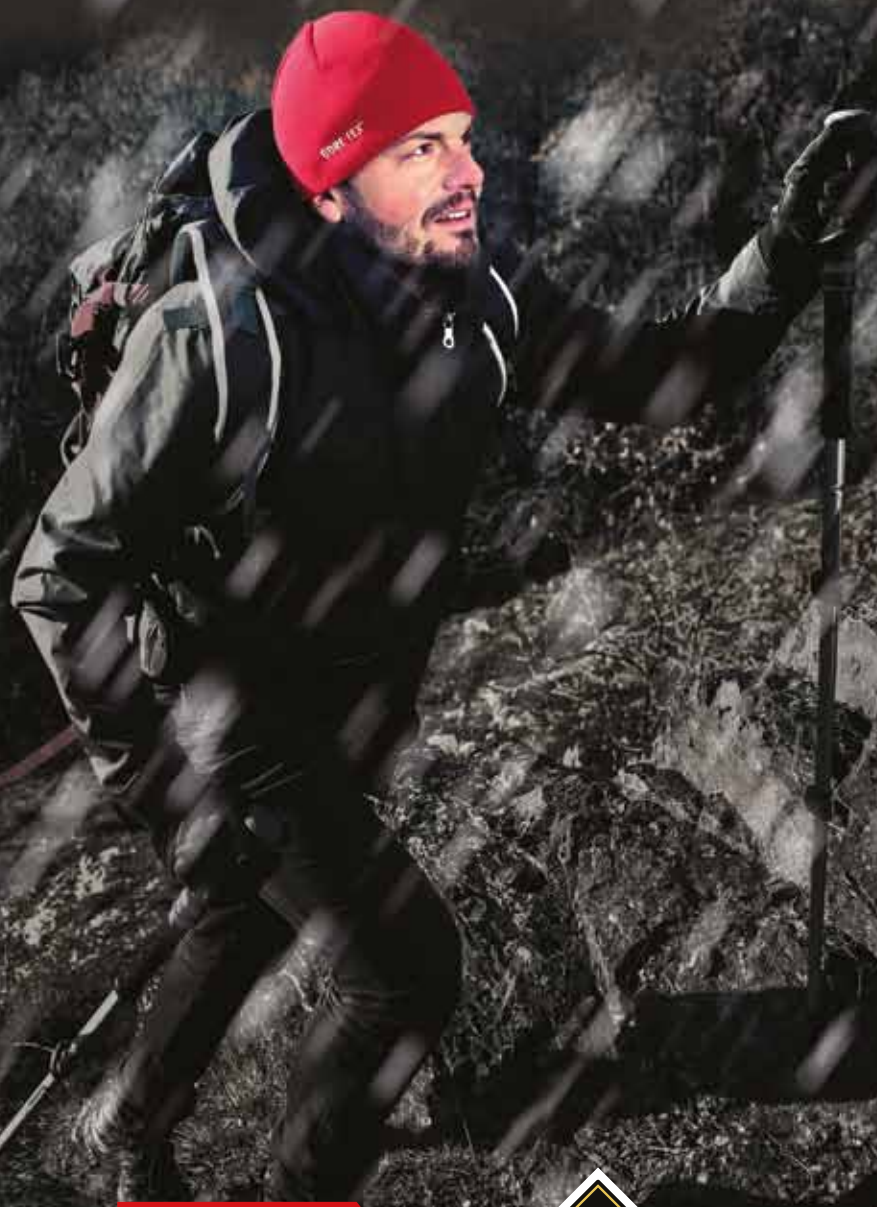

With our customers in mind, having implemented their wishes into our latest products, we are glad to present to you a new collection for the next season that is extended with an all season product line so KAMA products can be worn throughout the year.

Welcome to the world of KAMA

KAMA & DEERS

Dvě ryze české značky KAMA a Deers se spojily k vytvoření výjimečné kolekce vlněných pletených čepic ozdobených ručně vyráběnými šperky jelíneků.

Two original Czech brands KAMA and DEERS joined and together have created unique original collection of woolen beanies decorated by hand made deers using Swarovski elements.

45% Wool / 55% Acrylic

- A bulky yarn from the spinning mill Schoeller consisting of 45% fine merino wool and 55% high bulk acrylic. It is an ideal material solution for soft, airy and warming knitted SWEATERS and accessories such as BEANIES, scarves and gloves

- Příze z produkce přádelny Schoeller ve složení 45% jemná merino vlna a 55% objemovaný akryl. Jde o ideální materiálové řešení pro jemné, nadýchané a hřejivé pletené svetry a oděvní doplňky, jako jsou čepice, šály či rukavice

- EXP stands for "EX-Pollution", or the avoidance of pollutants during the anti-felting treatment process

- EXP is a revolutionary new process from the Schoeller Spinning Group that enables the wool to remain machine-washable without the use of chlorine. Schoeller has set a benchmark with this innovation and once again proven its commitment to ecological sustainability

- Úprava vlny pro praní a sušení vlněných oděvů v automatické pračce, při jejíž aplikaci není používán škodlivý chlór.

- EXP je inovace mající významný přínos pro životní prostředí. Příze s touto úpravou tak splňují celosvětově nejpřísnější ekologický standard bluesign® APPROVED

Authentic

The story of KAMA begins back in 1989. It has been driven by desire to have high quality fashionable clothing which was in socialist Czechoslovakia desperate shortage. Within one family has developed the idea of own small scale manufacture which has then evolved into the brand with fully professional manufacture plant. Nowadays KAMA represents brand with complex range of own design's knitted products which are distributed into more then 30 countries around the globe.

Sustainable

We are using only premium certified materials where we have an assurance that substances and processes as well as animal welfare and social responsibility are clear of any practices which are not acceptable according to company internal integrity rules.

Responsible

Manufacturing in Czech Republic, employing people according to EU employment standards. Working in program to employ disabled people. Sourcing materials only from certified suppliers. Using most up dated knitting technology and machinery. Part of Fashion Revolution as a most transparent producers. Working closely with charity.

Autentická

Firma KAMA se zrodila z touhy mít kvalitní a slušivé oblečení, kterého byl v socialistickém Československu roku 1989 zoufalý nedostatek. V kruhu jedné rodiny tak vznikla domácí manufaktura, která postupně rostla, až se stala profesionální velkovýrobou. V současné době KAMA dodává ucelený systém pletených výrobků do více než 30 zemí celého světa.

Trvale udržitelná

Zpracováváme pouze prvotřídní certifikované materiály u kterých máme jistotu, že při jejich výrobě nedochází k negativnímu působení na životní prostředí, ohrožování zvířat a narušování sociální spravedlnosti. To jsou naše interní předpisy, kterými se řídíme v každém kroku našeho konání.

Zodpovědná

Vyrábíme v České republice, naši zaměstnanci pracují podle standardů EU. Začleňujeme handikepované lidi do výrobního procesu. Zpracováváme materiály výhradně od prověřených certifikovaných dodavatelů. Používáme nejmodernější technologie výrobních procesů. Jsme součástí Fashion Revolution. Přispíváme na charitu.
